

## GOOD DAY IPA

It's a good day for this glorious IPA!

This IPA is brewed in partnership with the Tim Bacon Foundation. 60p from each can will go directly to support the cause, to find out more about the charity and who they help visit [timbaconfoundation.co.uk](http://timbaconfoundation.co.uk)

Combining traditional English and modern American IPA styles, we created this refreshing beer. To intensify the flavours we double dry hopped using aromatic Simcoe hops, producing a subtle mango aroma and fresh citrus flavours.
